ILLINOIS, Central				
(IL-Z028) STARK, (IL-Z029) PEORIA, (IL-Z030) MARSHALL, (IL-Z031) WOODFORD, (IL-Z037) TAZEWELL, (IL-Z038) MCLEAN, (IL-Z042) LOGAN, (IL-Z043) DE WITT, (IL-Z044) PIATT, (IL-Z053) MACON				
	10/01/13 00:00 CST		0	Drought
	10/31/13 23:59 CST		0	

Near normal rainfall of 3 to 4 inches occurred during the month of October: however, this did little to offset cumulative rainfall deficits since August. As a result, Severe Drought (D2) conditions continued across 10 central Illinois counties along and northeast of a Galesburg...to Lincoln...to Decatur line.
